TWOLIFEmusic (Solo Artist)

Brian has been writing and recording music since the age of 12 when he decided to turn his poetry into Christian Hip-Hop. He has a catalog of 40 songs written and recorded and is currently finishing his third album in the mile-high city of Denver, Colorado. He has performed at over 100 venues and has entertained hundreds of thousands. TWOLIFEmusic dynamically transforms itself to provide quality entertainment to its fans and has developed a series of community outreach programs and benefit concerts. Brian brings the stories of his troubled past to song and performance with the goal of helping others to avoid or overcome the same pitfalls he has experienced. The meaning of TWOLIFE (Together We Overcome LIFE) is embodied in all his works. In Brian's words "I am very humble and grateful for the doors God has opened in my life and am looking forward to where he will be taking me next!!! I love all of the fans that have made it possible to turn my dreams into realities."

John C. Hutchins (Manager, Digital Asset Curator, Photographer and Web Guru) John C.

"Charlie" Hutchins has been a freelance photographer for more than 30 years and is published in periodicals like Esquire and Skin Diver Magazines, annual reports and promotional brochures. Formerly a full-time faculty member at Florida Institute of Technology, Charlie taught photography, specializing in underwater photography in the Oceanographic Technology program. He also did a turn as a creative director for an advertising agency specializing in real-estate, resort, and financial clients. After the advertising business Charlie was an Enrollment Management Consultant working with over a hundred colleges and universities across North America. Previous to his current engagement with TWOLIFEmusic, Charlie was a Vice President at The University of Texas. He resides in Denver Colorado working as the full-time Digital Asset Manager for
